

STAR TREK

Cryptograms

DIRECTIONS: Here are two quotes from one of our favorite Star Trek characters, Mr. Spock. Each distinct letter in the original phrase has been substituted with another letter from the alphabet. The two cryptograms must be solved separately.

SOLUTION

AFTER A TIME, YOU MAY FIND THAT HAVING
IS NOT SO PLEASING A THING AFTER ALL AS
WANTING. IT IS NOT LOGICAL, BUT IS OFTEN
TRUE.

WHEN YOU ELIMINATE THE IMPOSSIBLE,
WHATEVER REMAINS, HOWEVER IMPROBABLE,
MUST BE THE TRUTH.
