

Saint Paddy's Sudoku

INSTRUCTIONS:

Word Sudoku plays just like a regular Sudoku. Each horizontal row must show each letter exactly once, each vertical column must show each letter exactly once, and each subgrid must show each letter exactly once.

These are fairly easy Sudoku and require only basic solving techniques, although these can take a while for beginners to grasp. The fact they are words makes them a bit more challenging and puzzlers will be forced to review spelling as they solve the puzzles.
