MAC & CHEESE

WORD SEARCH:
Find and circle the vocabulary words in the grid. Look for them in all directions including backwards and diagonally.

An early American recipe for macaroni and cheese appeared in the 1824 housekeeping manual and cookbook by Mary Randolph, The Virginia House-Wife:

"Boil as much macaroni as will fill your dish, in milk and water, till quite tender; drain it on a sieve, sprinkle a little salt over it, put a layer in your dish, then cheese and butter as in the polenta, and bake it in the same manner."
